Yes. Projects must conform with the Frederick Town Historic District Design Guidelines. For more information on the Historic District Design Guidelines, please see The City of Frederick website (www.cityoffrederick.com) or contact the Preservation Planner at (301) 600-1792. Please note that the painting of a building does not require Historic Preservation Commission (HPC) approval. Regardless of whether HPC approval is required, projects must be approved by the Downtown Frederick Partnership Design Committee. Due to State funding requirements, projects also must be reviewed by the Maryland Historical Trust.

How does the application process work?

1. Applicants submit a completed application form. In order for the application to be considered complete, the applicant must submit: a) two color photos showing the existing building, b) detailed sketches or drawings of the proposed improvements and c) two bids on contractor letterhead. Once a completed application is submitted, the Design Committee will review the application and make a determination on the project. Applications are reviewed on a first-come, first served basis. Design Committee review will be completed in five or fewer days.
2. Following Design Committee acceptance, the Partnership then will forward the application to the Maryland Historic Trust (MHT) as required by the State of Maryland. MHT has 30 days to review the project. The applicant can pursue HDC approval, if needed, at the same time as the project is undergoing MHT review.
3. The Partnership will issue a letter of commitment when MHT and HPC, if required, approval is granted. The letter will include the specific amount granted and any conditions of approval. The amount of the grant award is set out in the letter of commitment and will not be changed after project initiation. ***Work completed prior to a letter of commitment is not eligible for funding.***

What happens after a project is selected for funding?

Work selected for a matching grant must be completed within six (6) months. The six-month time period will begin after the acquisition of any necessary approvals and/or permits. Depending on the scope of the project, extensions may be requested.

The applicant is responsible for obtaining all building permits and any other required City approvals for the work to be done. The applicant is responsible for conformance with all applicable safety standards and conditions. The applicant also agrees to maintain the property and the improvements.

Downtown Frederick Partnership

Downtown Frederick Partnership may promote an approved project including, but not limited to, displaying Partnership signage at the site, during and after construction, and using photographs and descriptions of the project in the Partnership's materials.

How do I get reimbursed for my project?

Grant funds are issued on a reimbursement basis and cannot be issued until the project has been completed. Before a check is cut, applicants will need to submit proof of payment for completed work and a Design Committee member or the Partnership staff must review the completed project to determine that the work performed is consistent with the work approved. Once the work is approved, the Partnership will process a reimbursement check.
